

ADDENDUM NO. 1

2018 Patch Paving

May 25, 2018

The contract documents for the above-referenced project are hereby modified or explained further as follows:

QUESTIONS & RFI's

1. ***Question:*** *Your RFP mentions 3-inches asphalt in county roads and 4-inches asphalt in state ROW, but what about when the asphalt is thicker and needs to be matched? Are we expected to charge the same price?*

Response: The Request for Bid (RFB) specifies a minimum pavement depth or to match existing, whichever is greater. The bid schedule requests one unit price per square foot for either County or State right of way (ROW). The District understands that increased pavement depth, triggered by the match existing provision, increases cost. In these cases and depending on the magnitude, the District can consider additional compensation under Differing Site Conditions on a case by case basis

2. ***Question:*** *The County has overlaid multiple roads in Tahoe City and they require milling an area two feet by two inches depth around the patch repair. And these roads are now 6 inches thick.*

Response: Per Placer County requirements, ROWs that have been repaved within the past five years require a 2-inch depth grind, 2 foot width beyond the sawcut limit. This impacts a select minimum number of ROWs within the District service area. If patching is required in one of the select ROWs, the District can consider additional compensation under Differing Site Conditions on a case by case basis.

3. ***Question:*** *What happened to the seal/crack seal part of the process? I know the County still requires this.*

Response: Crack seal work is not included in this RFB.

4. ***Question:*** *It would also be great if you included the prevailing wage rates, since they always increase June 1 and they now require that travel time is paid at such rate.*

Response: Representative prevailing wage rates are attached.

The foregoing requirements are in modification of and supplemental to the original contract documents and, in case of conflict, shall govern. All other provisions of the contract documents remain unchanged, and shall be in effect.

Continued

Bidders shall acknowledge receipt of this Addendum and other Addenda issued in the blanks provided on the Bid Proposal Form. Bidders who fail to acknowledge this Addendum in the manner specified may have bid proposals rejected.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan Lewis".
